"Girl's Wrestling"**

The following signatures represent female student athletes at _____ (school name)

located at _____ (address) that hereby indicate that if **Girl's Only Wrestling** teams were available at said school that they would be interested (or strongly committed) to participating on the team. And we hereby request that girls wrestling be added as a sanctioned state series sport as soon as possible.

After gathering as many signatures as possible please turn this in to your athletic director and/or principal with a request that they submit this information to the state athletic organization with a note that there is interest in adding girls wrestling as a state series.

Directions: Only girls should sign this petition. Sign your name in a legible fashion, enter the grade you are currently in, and circle Y / N on whether you have any prior experience in wrestling (even if it was years ago). Date the form with the date you turn it in or the form is complete. Fill out more than one sheet if you have need for more signature lines.
